NSU Department of Psychology & Counseling

Assignment of Equipment

Agreement of Responsibility

I, _____, have been assigned a Flip Video Recorder for the sole purpose of taping counseling sessions for the Practicum course. The use of this equipment in the counseling sessions is to enhance the practicum experience by familiarizing yourself with verbal and non-verbal behavior you are exhibiting during sessions as well as to evaluate student counseling skill development. The review of the production on this video devise is for classroom instructional purposes and supervisory purposes for your instructor. The counseling video results are NOT to be viewed by anyone but yourself and at your instructor's discretion, your classmates during a classroom viewing session. Misuse of this equipment will result in an ethical violation and can be subject to disciplinary action. Your instructor will provide you with operational methods on how to use this piece of equipment.

If this piece of equipment is lost or stolen, you will be responsible for replacement value of this device. Also, disciplinary action can occur if this device is lost or stolen with confidential information loaded on this video recorder.
