

## MindEdge Mobilize Your Learning Video Transcription

MindEdge's mobile app lets you stay connected to MindEdge courses while you're on the go. On your smartphone or tablet, access the entire MindEdge course online. Or select items, like videos, games, or assessments. If you're going offline, download your course work and don't miss a beat. When your phone is back online, you're working test scores with sync back up. The MindEdge app is free on iTunes and Google Play. So, learn, work, and watch anywhere you go with the MindEdge app.
