

Northeastern State University

**Woodwind Audition Requirements**

Woodwind Music Majors

Students who are auditioning as a woodwind major (flute, oboe, clarinet, bassoon, or saxophone) should prepare 2 contrasting selections (no more than 2 minutes in length each) that best reflects their musical talent on their primary instrument. All State etudes and solos are acceptable. Scales are optional. A small ear training and music theory placement test will be administered after the audition

Woodwind Non-Music Majors

Students who are NOT auditioning as a major but for a non-major scholarship should prepare one solo, etude, or technical study on their primary instrument and should reflect their best performance abilities.
