HEALTH ORGANIZATIONS ADMINISTRATION

ABOUT US

We are a Chapter of the American College of Healthcare Executives (ACHE), an international professional membership society of more than 35,000 healthcare executives who lead hospitals, healthcare systems, and other healthcare organizations. Our mission is to be the professional membership society for healthcare executives; to meet its members' professional, educational, and leadership needs; to promote high ethical standards and conduct; to advance healthcare leadership and management excellence; and to promote the mission of ACHE.

JOIN US FOR A MEETING!

February 1st, 2019

10:00AM
