

## MindEdge Category Leadership Video Transcription

Leadership is more than having the authority to give directives. Successful leaders do more than ask people to follow them. So what makes a good leader and how can you transform your natural Charisma and enthusiasm into successful leadership skills? MindEdge's Leadership certificate and coursework discusses not only the theories of leadership, but real-world practical explanations and definitions. The course is then drilled down into specifics of leading teams, leading through change, and the importance of work-life balance. Leading takes training, leading takes practice. With highly engaging content, a mobile-friendly platform, and video commentary by leaders and experts across a variety of Industries, MindEdge courses give you the tools you need to successfully lead your company, group, or team. MindEdge Leadership courses... Because leaders are made, not born.
