

MindEdge Entrepreneurship Course Video Transcription

You have an idea, a good idea, and you are ready to turn it into a business. But how do you start? What do you need to know? Do you need a lawyer? Should you write a business plan? What are your options for funding your venture and what personal characteristics should you hone to make your business more successful from the start? MindEdge's entrepreneurship certificate in coursework starts from the beginning and teaches the fundamentals of starting a business before advancing into business law, marketing, leadership, management, accounting, and finance. With highly engaging content, a mobile-friendly platform, games, video testimonials from successful entrepreneurs, and helpful downloads. MindEdge courses give you the tools you need to start your business on the right foot. MindEdge entrepreneurship courses: you have to desire, now get the skills.
