

## NSU Scholarship Application Guide

### Create and Verify Account

- Go to [scholarships.nsuok.edu](https://scholarships.nsuok.edu) and find the correct application type for which you wish to apply.
- Click on apply and create an account by completing the right hand side of the form that appears.
  - **You will be sent an email to whichever email address you used to create your account. The email will contain a link to verify your account. This step must be taken before you will be able to log in. The link is only valid for 24 hours (If you were not able to verify your account before the link expires, please contact the Office of Admissions and Recruitment).**
  - If you have already started or completed the application for admission, you will use those login credentials to start a Scholarship Application. You may use the 'Forgot Username/Password' link in case you have forgotten your username or password and need to reset it.
  - If you are a current student, you will need to create a new account.

### Complete and Submit Application

- Answer all questions that appear, including those that are not listed as required.
- All questions must be answered fully and truthfully for an application to be considered for scholarships.

## NOTES/TIPS
