Dear Social Work Student,

Welcome to the Bachelor of Social Work (BSW) program at Northeastern State University, College of Liberal Arts, School of Social Work. We have a dynamic BSW program which is a 57 hour major. The Social Work major is offered on both the Tahlequah and Broken Arrow campuses. The BSW degree is designed to prepare professionals for working in a wide variety of social service settings. The BSW education emphasizes the "generalist perspective." The generalist training prepares the graduate for working with issues at the individual, group, family, and societal levels. Our graduates are uniquely qualified upon graduation to provide services to diverse client populations in a wide range of settings. The BSW program also prepares graduates for the Advanced Standing MSW (Master of Social Work) Program, which takes only one year of full-time course work to complete. The faculty members are actively involved in the design of classes and are committed to your professional education. Social work is an exciting profession and we invite you to be a part of it!

The BSW program has been fully accredited since 1992 by the Council on Social Work Education (CSWE), the national accrediting body for social work programs. We believe you will find the BSW program provides an exciting opportunity for education in the field of social work.

**NORTHEASTERN STATE UNIVERSITY
DEPARTMENT OF SOCIAL WORK
STUDENT CONTRACT**

As a social work student in Northeastern State University's Social Work Program, I will uphold and abide by the program and university policies and the NASW Code of Ethics.

I understand the justifications for terminating a student's enrollment in the program, which include but are not limited to the following:

1. **Poor Academic Performance.** If course grades or GPA requirements are not met, or if a student fails to demonstrate that grade deficiencies can be corrected within a reasonable time, or if a student participates in academic misconduct, a recommendation to terminate enrollment may be made. See the criteria below:
 - BSW: The student will maintain a C grade or above in all social work courses.
2. **Chronic Absenteeism.** The Department of Social Work holds a consistent attendance policy across *both* programs at all locations for 16-week courses. A student is permitted:
 - 2 absences before the grade is affected;
 - 3rd absence there will be an overall letter-grade deduction;
 - 4th absence the student is encouraged to withdraw or will receive a 2nd overall letter grade deduction;
 - 5th absence the student will be unable to pass the course.
3. **Unprofessional Behavior.** Behavior that violates either the National Association of Social Workers Code of Ethics and/or the NSU University Code of Student Conduct (found in the NSU Student Manual) is a legitimate basis for termination from the program.

[NASW Code of Ethics Link](#) [NSU Student Manual](#)
4. **Persistent Ineffectiveness in the Practicum Setting.** When the student is repeatedly unable to develop or demonstrate minimum levels of effective performance and gives no evidence of accomplishing the learning outcomes outlined in the student's education contract, evaluation, or syllabus, it constitutes a legitimate basis for termination. This includes violating agency policies.

Read and sign upon agreement: I have read and understand the Social Work Student Contract and will follow the terms listed above. I will demonstrate integrity as a novel social work student and seek guidance when needed. I understand I will be terminated from the program for violating the items listed above.
