**Statement of Understanding–B.A. in History**

I understand that I must:

1. maintain a 2.0 G.P.A.
2. request a degree plan from the Department of Social Sciences as soon as possible after I select the History B.A. as a major and have selected an 18-hour minor
3. complete History 1113 and History 1483 as part of my general education requirements in addition to History 1213, History 1493, and the other classes indicated on my degree plan
4. complete at least 18 hours of advanced (3000-4000) courses
5. take half (18 hours) of this major at Northeastern
6. complete a minimum of 40 hours of advanced courses numbered 3000 and above
7. earn at least 80 hours of credit in courses classified as Liberal Arts
8. be aware that World History classes are usually offered only in the spring semester.
9. apply for a final degree check when I have earned between 80 to 90 hours
10. obtain prior approval before enrolling in a course or courses at other institutions of higher learning (a form for that purpose may be obtained in the office of the Department of Social Sciences). Grades earned at other institutions may not count unless they are approved in advance. I also understand that I must have an official transcript showing all classes taken at other institutions sent directly to the Office of Admissions and Records.
11. earn a grade of “D” or better in History 4951, Senior Seminar, during my senior year
12. be aware that this degree does not lead to Oklahoma teacher certification
